Coach	Parish	Orientation Attended

As the Head Coach of the above named Parish/School Team, I accept the responsibility for the actions of my athletes, coaching staff and spectators. Additionally, I am familiar with the rules and guidelines pertaining to the sport for which I coach outlined in the most recently published Athletic Ministry/CYO Sports Handbook. I am aware that only coaches listed on this form may participate in this program, and that all coaches (head & assistants) must attend the CYO Coaches Orientation Program during their first year of coaching any CYO sport. I testify that the information listed above is true.
